

# FUSION4

## JEDE HERAUSFORDERUNG MEISTERN

**PERFORMANCE TWIN TIP, FREERIDING SHAPE**

The Freeride & Performance Twin Tip is already known for its versatility and reliability. The Fusion4 is the perfect all-round board for all conditions. Whether you're looking for a board for your first steps in kiteboarding or you're already an experienced rider looking for a new challenge, the Fusion4 is the right choice.

**HYBRID, CENTER SET-IN RAIL, CLOSED**

The Fusion4 is a hybrid board with a center set-in rail and a closed rocker line. The center set-in rail provides a stable ride and a good grip in the water. The closed rocker line makes the board fast and easy to control. The Fusion4 is the perfect board for all conditions.

**FLEXIBLE BALANCED TECHNOLOGY, SWEET PERFORMANCE**

The Fusion4 is a flexible board with a balanced technology. The sweet performance makes the board fast and easy to control. The Fusion4 is the perfect board for all conditions.
